Section Overview

Introduction   The objective of this section is to provide a concise, user friendly job aid for the user at the PERSRU to complete a NJP result on a member in SDA II. This section contains information on:

- Purpose of the event
- Any references
- Fast Path ID and data entry
- PMIS/JUMPS effect
- Corrections and deletions

In this Section   The following topics will be discussed in this section:

Non-Judicial Punishment (NJP)

Purpose   The NJP event is used to submit NJP results from a Captain's Mast on a member.
This event is also used if a suspended punishment is vacated, punishment is being
modified, or a correction or deletion needs to be submitted.

> **Note**: This event should not be used if the charges are dismissed or dismissed
> with warning at a Captain's Mast.

Fast Path ID   Enter "disccrtm" for Fast Path ID or press "AIA" from the Main Menu Screen in
and Data   SDA II. Enter the member's SSN and press <GO> or F1. The following screen
Entry   should appear:

	Entry Type	Court Type	Status	Effctv Date	Effctv Time	Page	Coded Offenses
	\multicolumn						

Court Memorandum Results (Screen 1 of 1)							
Trans	Entry Type	Court Type	Status	Effctv Date	Effctv Time	Page	Coded Offenses
	I	F		12/01/1997	1200		

When the above screen displays, press F3 and the Court Type, Effective Date, and
Effective Time fields will have to be updated.

> **Note:** The SDA II system will not allow you to produce this transaction if another
> transaction has been completed on the member and has not been approved and
> transmitted yet. If you need to create two NJP transactions, the first one will have
> to be completed, approved and transmitted before the second one can be created.

The following is a breakdown of the fields and the action to be taken on each field
for this screen:

Field	Action
Court Type	For this event enter 'F' for NJP.
Effctv Date	Enter the date that the Captain's Mast was held (date of NJP). Note: If preparing this transaction to record a vacation of suspension, enter the effective date of the vacation as the effective date.
Effctv Time	Enter the effective time of the transaction.
